# PLUMA WIRE ROPE HOIST

**MAKE LIGHT WORK OF LIFTING MATERIALS  
OVER THE SIDE OF BUILDINGS**

This 350kg wire rope hoist lets you reach 2m horizontally away from the building and then allows you to swivel the materials back in to the building safely.

Unit can be mounted onto a waterproofed roof with little damage

The unit can swivel 360° with a remote control, keeping the operator standing safely away from building edge

## WIRE ROPE HOIST PRODUCTS FOR LIFTING & LOWERING LOADS

We stock a complete range of Wire Rope Hoists from 150kg to 500kg capacity. A variety of options existing for mounting to scaffold, concrete floor, parapets and windows.
